Give Us Feedback!

- Love what you're hearing? Like our session!
- Click the 'Rate Session' button and complete mini evaluation

WHO WE ARE

Health Leads is an innovation hub that unearths and addresses the deep societal roots of racial inequity that impact health.

OUR MISSION

We partner with communities and health systems to address systemic causes of inequity and disease. We do this by removing barriers that keep people from identifying, accessing and choosing the resources everyone needs to be healthy.

OUR VISION

Health, well-being and dignity for every person, in every community.
