CIE ACCOMPLISHMENTS DURING FY 2020-2021

Last Fiscal year, 14 Partners joined CIE, and 75 services were onboarded as new direct referral services totaling 417 to date.

COVID-19 response continued to be a highlight for partners across the network. Partnerships like the food delivery program, the County of San Diego's Emergency Rental Assistance Program, the City of San Diego COVID-19 Housing Stability Assistance Program (HSAP), and other rental and COVID-19 assistance programs across our community made an impact.

In addition, CIE averaged 77 attendees at CIE partner meetings this fiscal year. To participate in a poll, to provide feedback on what CIE should focus on during the next fiscal year, visit <https://www.menti.com/psrkvn8fqg>

SUPPORT FROM 211'S COMMUNITY HEALTH TEAM

To participate in a poll to inform 211's service delivery on ways that their community health team can support general and unmet needs in our community, visit: <https://www.menti.com/ptm98rwqu5>
