

CIE SUMMIT 2024

Emerging Models of Community-Led
Care Infrastructure

June 24-26, 2024

Sponsorship Opportunities

2024 CIE Summit & 211 San Diego's 20 Years of Connections

Each year, 211/CIE San Diego works closely with a variety of national and local partners to produce events and cultivate resources that will advance knowledge and understanding for communities building care coordination infrastructure and providing person-centered care to historically disadvantaged populations. Central to supporting community-led systems change, our partners make it possible to design a conference responsive to the field's needs, including all perspectives, and accessible to all people.

Sponsorships support the CIE Movement and make it possible for 211/CIE San Diego to host a gathering that brings together hundreds of leaders from across the nation. We offer a variety of sponsorship levels that will allow organizations of all sizes to join us on this journey and be a part of this national dialogue. For questions, please email sponsorship@ciesandiego.org.

Please note that your sponsorship includes support for the CIE Summit on **June 24-26, 2024**, and the 211 San Diego event, Counting Down to 20 Years of Connections, on **June 6, 2024**.
